Thanks for covering, Cindy.

Just following up on my email from Wednesday. I have a time that has been set aside for meeting for cities interested in talking with the LCB prior to the public hearing on marijuana rules. They have a conference room at Spokane City Hall from 2:00 – 3:00pm. If you are interested in participating, please let me know, if possible, by the end of the day so we can let the LCB know who to expect.

Good morning,

I wanted to let you know that the Liquor Control Board will be holding a public hearing in your area August 8 on the proposed rules for licensing marijuana businesses. The details for the public hearing are below.

The LCB staff and Board members are offering to meet with area cities in advance of the public hearing to talk with you about any specific questions or concerns you might have. They are working to set up a meeting location in Spokane for anyone who is interested.

If this is something you would like to take advantage of please let me know by the end of this week if possible and I can put you in touch with the appropriate people at the LCB. Thanks and feel free to contact me if you have any questions.
