I, Kelly Schroer, do hereby depose and say:

1. I am a complainant in two matters against Guillermo Eduardo Ramirez Peyro, one in Erie County Family Court and one in Tonawanda Town Court.
2. I was angry at Mr. Peyro at the time. Guillermo did not hit me or harm me in any way.
3. I regret having brought charges against him, and I want to resume contact with him.
4. I also want to drop all charges against Guillermo.
5. Guillermo called his lawyers at HoganWillig and his lawyers would not permit him to see me while there were outstanding Orders of Protection.
6. I came into HoganWillig just now, un-announced, and met with one of his attorneys, Steve Cohen, who I met for the first time. I had never spoken with him or with any attorneys from that firm before.
7. I told Mr. Cohen that I wanted to withdraw the charges against Guillermo and wanted to resume contact with him. He said he would need something in writing from me that he would submit to the Courts to try to get the Orders of Protection withdrawn. He also said he would send the written request, which this document is, to the prosecutors in the Town of Tonawanda case and the Family Court case.
8. Let me be clear that it is my desire to withdraw the charges against Guillermo Eduardo Ramirez Peyro because they are not true, I have no fear of Guillermo, he never physically hit or abused or hurt me, and I want to be able to spend time with him without there being a violation of a Court order.
9. No one has promised me anything to write this, nor have I been paid or coerced. This is of my own free will.
10. No one at HoganWillig has given me any legal advice regarding this matter or any matter. Their only interest is to protect Guillermo, not to protect

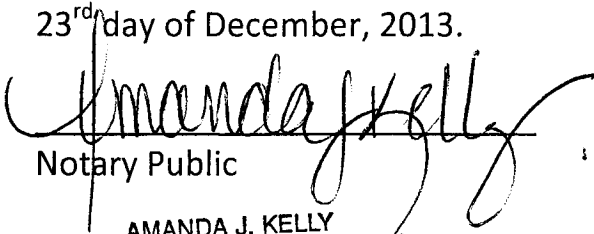

me, and I understand that completely in writing this affidavit and making this request.
