Subject: Meeting with Liquor Control Board Members

Some time ago, we discussed the possibility of your meeting with the three Liquor Control Board members during one of our regular weekly caucus meetings, to discuss implementation of I-502 from your organization's perspective. This would provide an informal venue to exchange ideas and vet any concerns, which could provide value as we move ahead. Now that we have completed our last round of public hearings on our draft rules, my fellow Board members and I agree it would be a good time to get something on our calendars.

We normally meet at our Board office in Olympia on Tuesday or Thursday from 10AM to 12PM. We envision the meeting attendees as being the Board as well as perhaps our Director, Rick Garza. You would be welcome to bring a guest that might enhance the discussion, but we would like to keep the group as small as possible. Note that we post these as public meetings, but rarely have a member of the public attend.

If you are interested in setting something up, please contact our

Confidential Secretary, Mo Malahovsky at MEM@liq.wa.gov or by phone at 360-664-1717.

I look forward to hearing from you.

Regards,

Chris Marr
